	⚖️ How handled?	Changes need to be approved by both chambers. Conciliation committee possible.			If the committee of the second council does not approve, the bill is pushed back. After a second disapproval the bill is concluded.			Changes must be approved by both chambers. Conciliation committee possible.			If the committee of the second council does not approve, the bill is concluded.			Changes must be approved by both chambers. Conciliation committee possible.			Given the second council makes changes, the bill is passed back to the first council. First council votes again.
